

Peoples' Stories

August 24-26, 2012

Pre-conference
August 23-24, 2012

VII Baltic Moreno Conference ■ Tallinn, Estonia

People are telling stories and passing them on from generation to generation in order to overcome disasters, to believe in happiness and sustainability, to remain and remember – and sometimes, to forget. Narrative is an important tool to preserve the identity of nations.

VII Baltic Moreno Conference is for stories from different countries and nations to meet in psychodrama sessions.
